Addendum No. 1  
RFQ 15-303

### 2-INCH WATERMAIN REPLACEMENT PROGRAM ENGINEERING DESIGN, BID AND CONSTRUCTION PHASE SERVICES

Each recipient of this Addendum No. 1 to the Request for Qualifications (RFQ) who responds to the RFQ acknowledges all of the provisions set forth in the RFQ and agrees to be bound by the terms thereof. This addendum shall modify, clarify, change or add information and clarification and become part of the above referenced RFQ.

#### CLARIFICATION:

1. How will the surveying work for this project be determined? Will the submitters need to include a surveyor on their team or will those firms who currently have a continuing contract with the City for surveying services be given the work?  
*A: The submitter will need to include a surveyor. The surveying work will be as needed for the engineering design, and shall include, at a minimum, the information requested in the RFQ under "Scope of Services".*
2. Page 5 of 21 was blank and not noted to be left blank intentionally. Is there information missing from this page?  
*A: No information missing. Page was left by mistake.*
3. In accordance with the project scope of work, are the year one projects on track to be delivered within the allotted one year time frame?  
*A: The year 1 projects are currently in the 90% design completion phase.*
4. Are there any deliverables from the year one projects available for viewing upon request?  
*A: No.*

Proposers must acknowledge receipt of this Addendum No. 1 in the space provided below. This Addendum forms an integral part of the RFP documents and therefore must be executed and submitted with your proposal.
