Each recipient of this Addendum No. 1 to the Invitation for Bid (IFB) who responds to the IFB acknowledges all of the provisions set forth in the IFB and agrees to be bound by the terms thereof. This addendum shall modify, clarify, change or add information and clarification and become part of the above referenced IFB.

CLARIFICATION:

- 1) What is the budget?
A: It is estimated in the \$50,000 range.
- 2) When do you anticipate construction beginning?
A: When all permits are received. It may take several weeks to obtain all required permits. The project may need approval from the City Commission which usually meets twice a month but this July only meets once on the 14th. We are looking at approval in early August with work beginning soon after.
- 3) What is the minimum amount that needs to be approved by the City Commission?
A: \$25,000.00.
- 4) *On the drawings it directs the removal of the existing slab; however, the intent is to saw but a portion of the slab, remove it, and pour a new exterior footer that would be tied to the existing slab.*

Proposers must acknowledge receipt of this Addendum No. 1 in the space provided below. This Addendum forms an integral part of the IFB documents and therefore must be executed and submitted with your proposal.
