This addendum shall modify, clarify, change or add information and clarification and become part of the above referenced RFQ.

CLARIFICATION:

1. Can we complete the proposal for RFQ # 16-300 if we do not submit RFQ # 16-200? 16-200 does not have any Allison Transmission parts on the list.

2. Is there a term for this 16-300? Periodically we adjust our hourly rate and that could effect this agreement.
A: Section 10 of the General Information outlines the terms of the contract and negotiations for price adjustments.

3. Section 3 paragraph E ask for ability to deliver on time, is there a specific timeframe you are looking to achieve?
A: The proposer is to tell the City what the anticipated timeframe for delivery is. The response shall be part of the review process.

Proposers must acknowledge receipt of this Addendum No. 1 in the space provided below. This Addendum forms an integral part of the RFP documents and therefore must be executed and submitted with your proposal.
