Addendum No. 1
IFB #16-125

PARKS IRRIGATION WELL CONVERSION PROJECT

Each recipient of this Addendum No. 1 to the Invitation for Bid (IFB) who responds to the IFB acknowledges all of the provisions set forth in the IFB and agrees to be bound by the terms thereof. This addendum shall modify, clarify, change or add information and clarification and become part of the above referenced IFB.

CLARIFICATION:

1. What is the cost estimate/budget?
A) The approximate cost budget is between \$80k - \$100K.
2. Given the potential for sandy conditions, the wells may have to be drilled deeper than is shown on the schedule. Can a separate line item be provided for the cost of each additional foot of well drilled?
A) The bid schedule has been revised to reflect the cost of each additional foot of drilled well. See revised bid schedule as attached to this addendum.
3. What is the anticipated Notice to Proceed date for this project?
A) The anticipated NTP date will be in November or December 2016, depending on Commission approval.
4. Will an on-site geotechnical inspector be present during work?
A) The City's inspector will be present for day to day inspections, however, a geo-technical inspector will not be retained for this project.
5. Is there a specific submersible Goulds pump model which the city would like to use for the 5 and 10 hp items?
A) The City would request the contractor to submit on his proposed pump model for final approval by the City.
