In summary, the cone of silence prohibits communication between certain City officials, employees and agents and any entity or person seeking to be awarded a contract (including their representatives, lobbyists and potential subcontractors). The cone of silence terminates at the time of award, rejection of all response or some other action by the City to end the selection process.

Any addenda or other modification to the Bid documents will be issued by the City prior to the date and time of Bid closing, as a written addenda distributed to all prospective bidders who have obtained the bid package directly from the City or its authorized representative. Such written addenda or modification shall be part of the Bid documents and shall be binding upon each Bidder. Each Bidder is required to
acknowledge receipt of any and all addenda in writing and submit with their bid. No Bidder may rely upon
any oral or verbal modification or interpretation in preparing its bid. No interpretation of this IFB will be
made for any bidder, except by written addendum.

14. **ACCEPTANCE; REJECTION; CANCELLATION.** In accordance with the City’s procurement
code, this IFB may be cancelled and may or may not be re-bid when determined to be in the best interests
of the City. Any or all bids may be accepted or rejected in whole or in part, when determined to be in the

without liability or obligation on the part of the City or its employees. Any action, selection or failure to
select a successful bidder to this Invitation for Bid shall be without any liability or obligation of the part of
the City or its employees.

The City reserves the right to waive any non-material irregularities and technicalities, except timeliness
and signature requirements. If a bid is late or a bid form is not signed, the City reserves the right to
investigate the matter further and make a determination as to the materiality of the matter. Additionally,
bids may be considered irregular and may be rejected if the bid: 1) does not strictly conform to the
requirements of this IFB; 2) is incomplete; 3) any Bid Form is altered; 4) contains additions not called for;
5) is conditional; 6) contains prices that are, in the opinion of the City, unbalanced either in excess or below
the reasonable cost analysis values; 7) bids are in excess of the approved budget for the project.
