<p>Utility Customer Services</p>	<p><u>Section 1. Deposits.</u></p> <p>(A) Generally</p> <p>Before any person shall be entitled to utility service, he/she or the entity must pay a security deposit to the City unless specifically waived herein. Any security deposit may be applied by the City at any time in satisfaction of indebtedness for utility services which may be or become due to the City by the customer. After such application, the remainder thereof may be applied in discharge of any indebtedness of the customer to the City whatsoever and the City may use said deposit as if the City were the absolute owner thereof. This deposit shall not preclude the City from discontinuing, for non-payment, any and all services covered by this deposit regardless of the sufficiency of said deposit to cover such indebtedness for such services.</p> <p>(B) Residential Service</p> <p>The initial service deposit for residential utility service in the name of an individual(s) shall be established by consumer information received from a centralized database containing credit and consumer data information pertaining to the payment history of utility bills and other services ("Consumer Information Check" hereafter). The source of the Consumer Information Check may be without limitation credit information, consumer information, credit scoring services, fraud detection, and criminal records provided by national credit reporting repositories, and national criminal record databases, and/or local county systems.</p> <p>The Consumer Information Check will determine the amount, if any, of the deposit required to establish service. The specific amount of the deposit shall be as follows:</p> <p>(1) Individual(s) whose Consumer Information Check suggests a substantial risk of delinquency shall pay a deposit of two and one-half (2.5) times the average or estimated monthly billing at the location rounded to the nearest Fifty Dollars (\$50).</p> <p>(2) Individual(s) whose Consumer Information Check suggests a moderate risk of delinquency shall pay a</p>

The customer shall be notified, in writing, of any deposit adjustment and/or amount due the City. The amount due, if any, shall be paid within thirty (30) days of notification. Failure to pay the additional deposit amount may result in disconnection of service.</p> <p>The initial service deposit for residential utility service in the name of an entity (corporation, partnership, company, etc.) shall be as set forth below for Non-Residential (Commercial) General Service.</p> <p>(C) Non-Residential (Commercial) General Service</p> <p><u>Electric</u></p> <p>The initial service deposit for electric utility service shall be the greater of Two Hundred Seventy Five Dollars (\$275) or two and one-half (2.5) times the monthly average or estimated bill rounded to the nearest Fifty Dollars (\$50).</p>

Underground Individual Service.</u></p> <p>Underground individual service, up to 200 AMP capacity, is available upon request by the customer. The cost of installation depends upon type of service, length and actual site conditions. As an alternative to paying Lake Worth Utilities for doing all of the work, the customer may provide all the necessary facilities (i.e. ducts, pedestals, pads, etc.), subject to the approval of the City of Lake Worth with the customer paying the balance of costs that the City of Lake Worth estimates are remaining. For service in excess of 200 AMP capacity, installation shall be by a licensed contractor in a manner approved by the Electrical Division of the City of Lake Worth.</p> <p><u>Section 15. General Area and Street Lighting.</u></p> <p>In areas where street lighting and/or private area lighting are not generally available, installation of such lighting service will be provided at the customer's expense. This cost will be a contribution in aid of construction, payable in advance. As an option, upon approval of the Electrical Division of the City of Lake Worth, installation may be by customer's contractor.</p> <p><u>Section 16. Special Conditions.</u></p> <p>If specific electrical service other than that stated above is required, the City of Lake Worth, at the customer's request, will provide such service based on the estimated cost of installing such additional electrical equipment. This estimated cost will be a contribution in aid of construction, payable in advance by the customer to the City of Lake Worth. 	<p><u>Section 17. Miscellaneous.</u></p> <p>(A) Reimbursement for Extra Expenses</p> <p>The customer may be required to reimburse the City for all expenses incurred by the City on account of violations of the City's rules and regulations by the customer.</p> <p>(B) Inspection of Customer's Installation</p> <p>All electrical installations or changes should be inspected upon completion by competent authority to insure that wiring, grounding, fixtures and devices have been installed in accordance with the National Electrical Code and such local rules as may be in effect. Where governmental inspection is required by local rules or ordinances, the City of Lake Worth cannot render service until such inspection has been made and formal notice of approval has been received by the City of Lake Worth from the inspecting authority. The City of Lake Worth reserves the right to inspect the customer's installation prior to rendering service and from time to time thereafter but assumes no responsibility whatsoever for any portion thereof.</p>
