From Anne Gannon, Constitutional Tax Collector, Serving Palm Beach County

New Office in Suburban Lake Worth

We welcome you to our newest Tax Collector office this month. The Central Palm Beach Service Center is located at 4215 S. Military Trail, just south of Lake Worth Road. This office replaces our former Lake Worth & Lantana locations. For exact opening & closing dates, visit <https://www.pbctax.com/content/update>.

Our offices are busy during this transition. Visit www.pbctax.com to avoid the wait. You can renew motor vehicle registrations, make driver license appointments, pay property taxes & more. Don't forget – 2015 Property Taxes are due on March 31. Be sure to follow us on Twitter and Instagram at @TAXPBC.

Farmer's Market Waterside

Saturdays | 9am – 1pm | Old Bridge Park
A1A & Lake Avenue

Captain's Corner

2015 is in the books. PBSO District 14 rolled out several new programs last year to address crime and improve the quality of life for Lake Worth citizens, business owners and visitors. These included but are not limited to: the creation of a full time Street Crimes Unit, a bicycle registration program (in partnership with the city), a graffiti removal unit dedicated solely to Lake Worth, and a prostitution mapping program which will aid in combatting prostitution.

2016 is upon us and looks to be an exciting year for the City of Lake Worth. PBSO District 14 is ready to face the many challenges ahead by working together with you the citizens, the city, other local, state and federal agencies and many other private partnerships. We have several new plans in the works to address the many complex issues we face. The best is yet to come.

Don't forget, file your taxes early to avoid being a victim of identity theft.

Yours in Service, Captain Todd Baer

District Commander | District 14 | City of Lake
Worth Palm Beach County Sheriff's Office

Design for Replacement Water Pipes in District 3 Begins

The City Commission approved an agreement with Craven and Thompson, Inc. on January 5, 2016, to design the replacement of heavily corroded 2 inch steel water pipe in District 3 with new 4 inch plastic water pipe. The project is the second phase of a six year program to replace this piping throughout the city. The design of the first phase in District 4 was completed in 2015, and the construction work is being bid.

The 2 inch steel piping was installed in the 1950s and 1960s. It is now past its useful life, and needs to be replaced. This project will reduce the number of water pipe breaks experienced and improve the water quality at many city homes. The city water plant produces excellent quality water, and this water quality is affected by the old water distribution piping in many areas of the city. The water utility flushes the water piping to assure that water quality is maintained above standards with the existing piping. The amount of water flushing will be reduced once the new piping is constructed throughout the city.

22nd Annual Street Painting Festival

More than 600 artists will use the asphalt as their canvas to transform the streets of downtown Lake Worth into a temporary outdoor gallery of art during the 22nd Annual Street Painting Festival. The festival will be held February 20 & 21. The Lake Worth Street Painting Festival claims bragging rights as the world's largest, covering more area than any other festival of its kind. It is the proud recipient of the 2014 Cultural Council's Choice, Muse Award for Cultural Excellence.

This "outdoor gallery" is located on Lake and Lucerne Avenues, spanning between Dixie and Federal Highways. It all starts at 10:00 AM each day and ADMISSION IS FREE.

- Parking is available throughout the downtown area and Valet Service will also be available.
- A free festival shuttle will make timely loops from the Lake Worth Tri-Rail station & Palm Beach State College, Lake Worth Campus to Lake Worth City Hall in downtown from 10am to 6pm both days.

The Tradition of Street Painting

Traced back to 16th century Italy when itinerant artists would use their chalks to transform pavement into a makeshift canvas, street painting has retained its appeal through the centuries. As in ages past, crowds still gather to watch as fine works of art emerge. The "paintings" last only until the next rain, but the lively spirit and accessibility of the exhibition captivates new audiences each year and inspires lasting memories.
