### From Anne Gannon, Constitutional Tax Collector, Serving Palm Beach County

#### SAFE BOATING DISCOUNT

Effective July 1, boaters who use an Emergency Position-Indicating Radio Beacon (EPIRB) are eligible to receive a discount on boat registrations. The discount varies from 12% to 23% depending on the size of the vessel. For details about this new discount and other new laws impacting our services, visit [www.pbctax.com/fl-laws](http://www.pbctax.com/fl-laws).

#### #PBCDRIVE CONTEST

Time is running out to enter our Picture It... Who Rides With You? contest. Drivers can share photos of their favorite auto passenger for a chance to win road safety gear. Enter by July 20 at [www.pbctax.net/contest](http://www.pbctax.net/contest). View entries on Twitter and Instagram at @TAXPBC #PBCDrive.

## Lake Worth Utilities Customer Service Department

Lake Worth Utilities Customer Service Department makes it easy for you to monitor your usage, pay your utility bill & receive water saving tips with a smartphone app. It's compatible with both Android & Apple.

A new & completely revamped program design makes your conservation efforts & bill pay a snap. The app is free. It's easy. Download & give it a try. Click on the MuniApp link to see how it works: <http://www.muniapp.net/#/overview>

## Recruiting Volunteers for the Lake Worth Citizens Observer Patrol Program

The Palm Beach County Sheriff's Office established the volunteer program in 1989. The program has grown to over 2,000 citizens serving as the "eyes and ears" throughout Palm Beach County. Volunteers also serve in many administrative departments across the agency, from vehicle maintenance to the crime lab to assisting detectives.

I hope you will consider being a part of PBSO's award winning organization where you can utilize your own life skills and learn some new ones, while feeling the pride of being part of the PBSO family. Volunteering not only fosters a great feeling of accomplishment, it helps your community become a safer place.

**Volunteer  
with PBSO**

For more information on Volunteer Opportunities, please contact the Palm Beach County Sheriff's Office Volunteer Headquarters at 561.433.2003

*Yours in Service, Captain Todd Baer*

District Commander | District 14 | City of Lake Worth | Palm Beach County Sheriff's Office

## Lake Worth to Receive Funding for Drinking Water Infrastructure Improvements

The Drinking Water State Revolving Fund Program recently executed a \$568,432 Drinking Water State Revolving Fund loan to assist the City of Lake Worth with replacing water pipes in their distribution system. Over 17 miles of 2-inch corroded water pipes will be fixed by replacing them with larger 4-inch piping designed for long-term use. This will provide better quality water to approximately 12,000 residences. It is the first phase of a six phase project expected to be completed over the next five years with a total estimated project cost of \$14.8M.

Florida's Drinking Water State Revolving Fund (DWSRF) is administered by the Florida Department of Environmental Protection (FDEP) with joint funding from the U.S. Environmental Protection Agency (EPA) and the State of Florida. DWSRF programs operate around the country to provide states and communities the resources necessary to maintain and improve the infrastructure that protects our valuable water resources nationwide. Florida's DWSRF program has awarded more than \$273 million in funding for 62 drinking water improvement projects during the past five years for a total of \$925 million in loan funds since its inception in 1998. The program provides low-interest loans to eligible entities for planning, designing and constructing water pollution control facilities.
